

## **PTSA Board Meeting: 1-10-2017**

**Call to order: 6:05pm**

### **Treasurer's Report-Lisa Steichen:**

We have raised \$2,900 for the projected \$24,000 budget the PTSA needs to continue our current support of CC staff and families. Fundraising is urgent.

### **President's Report-Angie Hobby:**

As many of you know the clothing bank was robbed. They are in need of warm clothing and blankets. The clothing bank only serves KSD families. They need blankets, coats and warm clothes. They take new or used clothing donations. Denali Credit Union has drop off bins to make it easier or they can bring them here and we can get them to the right place.

Parents can also volunteer time to work at the clothing bank. Our day is April 18. Caroline will send out information.

### **Teacher's Report-Terry Steward**

The Carriage Crest leadership team has decided to not have the first semester awards assembly, but rather give out awards during conference time to make it more personal. All students that earn Academic Excellence will receive it, and the teachers can decide if they would like to do additional awards.

Mr. Gallagher will present the schools budget at the end of the year.
